Randolph, NJ 07869-2501

Dear Mrs. Lontka:

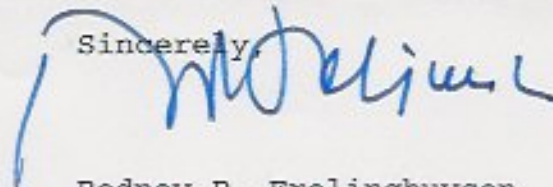

Thank you for contacting me in support of H.R. 2016, the Campus Sexual Violence Elimination (SaVE) Act. I appreciate having the benefit of your views as I share them.

Introduced by Representative Carolyn Maloney (NY), H.R. 2016 seeks to amend the Higher Education Act of 1965 to require higher education institutions to include statistics concerning the occurrence of domestic violence, dating violence and stalking on or around campuses in their annual security reports. Further, colleges and universities would be responsible for providing statements on the policies and procedures that are followed when complaints are filed with the institution.

You will be pleased to know I am a cosponsor of H.R. 2016. Most recently this legislation was referred to the Education and the Workforce Committee. While I do not serve on this committee, I will be sure to remember your support should H.R. 2016 come before the full House of Representatives for a vote.

Again, thank you for contacting me.

Sincerely,

Rodney P. Frelinghuysen
Member of Congress
